To,

The Director,

Defence Scientific Information and Documentation Centre (DESIDOC),

Defence Research and Development Organisation (DRDO),

Delhi.

Subject: Application for Short-Term Internship (December 2025 – January 2026)

Respected Sir/Ma'am,

I am Aryan Gupta, a third-year B.Tech. student in Computer Science and Engineering at Manipal University Jaipur, seeking a 30–45 day internship at Defence Scientific Information and Documentation Centre.

With a background in artificial intelligence, data science, and software systems, I am interested in DESIDOC's initiatives in digital knowledge management, information retrieval, and data analytics. My projects — including an offline campus navigations system, AI-based legal document assistant and large-scale data visualization dashboards — reflect my ability to develop intelligent information systems.

This internship would enable me to contribute to DESIDOC's mission of modernizing scientific documentation through AI and data-driven solutions.

Please find attached my resume, academic transcripts, ID proof, and recommendation letter for your kind consideration.

Sincerely,

Aryan Gupta
