

## Letter of Recommendation

This recommendation letter is provided to support the application of Mr. Aryan Gupta for an internship opportunity. I have known Aryan as a student of 3<sup>rd</sup> year B.Tech in Computer Science and Engineering at Manipal University Jaipur, and have had the opportunity to mentor him closely. As an Associate Professor in the Department of Computer Science and Engineering, I have supervised him in a project and a patent filing that reflect his strong technical aptitude, creativity, and innovative problem-solving approach.

During my mentorship, Aryan has consistently demonstrated strong analytical and programming abilities, with a solid grasp of computer science fundamentals and modern technologies. His innovative mindset and eagerness to learn are evident in his research and projects, where he applies theoretical knowledge to practical domains like AI-driven applications, full-stack web systems, and mobile solutions, showcasing a rare blend of technical precision, creativity, and perseverance.

In addition to his technical skills, Aryan's collaborative approach and active involvement in various projects have been commendable. He works seamlessly with peers, communicates ideas effectively, and consistently contributes to the successful execution of team-based initiatives. His curiosity for emerging technologies, coupled with a strong sense of responsibility, discipline, and self-motivation, drives him to excel in every task he undertakes while managing his time efficiently.

Therefore, I strongly recommend Mr. Aryan Gupta for the internship opportunity at your esteemed organization. I am confident that he will prove to be a valuable asset, contributing with diligence, technical competence, and innovative ideas. For any further information, please feel free to contact me.

Sincerely,

*Neelam*
